Description

The all new EF2200iS strikes the perfect balance between power & portability. It provides an extra 200W compared to the versatile EF2000iS, yet it's lighter and smaller than the workhorse EF2400iS. Powerful enough for appliances, tools and electronic devices without taking too much valuable space. It's the ideal generator for campers, caravanners, adventurers and outdoor enthusiasts.

Length555

Width300
