## Description

The 2026 FX Cruiser HO (High Output) brings next level style, comfort and performance to the personal watercraft market, with its combination of Yamaha’s 1.9 Litre High Output marine engine and luxury features.

Designed with luxury touring in mind, this craft is built on a highly stable platform, perfectly complemented with the industry's largest capacity, naturally aspirated, 1.9 Litre engine, delivering extremely quick and smooth acceleration and high top-end speed.

Offering incredible versatility, the FX Cruiser HO is equally capable for a huge range of applications from long day trips exploring new waterways to water sports with the family.

The FX Cruiser HO comes with factory installed Yamaha audio speakers, 7-inch full-featured infotainment system with glass colour touchscreen and built-in GPS system*. This luxury craft also comes with smartphone integration, customisable Drive Controls with Auto Trim, a large glove box with a built-in light, USB and 12 volt charging ports, streamlined tilting handlebar with tie hooks, three-person luxury theatre style seat and a hull that delivers an extremely comfortable and dry ride.

All FX Series WaveRunners also come with pre-drilled holes for easy installation of Yamaha's exclusive RecDeck platform, allowing you to connect JetFish and lounge accessory packages for more on-water action and versatility.

*USB Map card not included and can be purchased separately. Consult your local WaveRunner dealer.
