## Description

The 2024 FX Cruiser HO (High Output) brings next level style, comfort and performance to the personal watercraft market, and now comes with Yamaha's all-new 1.9 Litre High Output marine engine and an upgraded 7-inch (formerly 5-inch) touchscreen.

Designed with luxury touring in mind, this craft is built on a highly stable platform, perfectly complemented with the new larger capacity 1.9 Litre engine, which replaces the former 1.8 Litre High Output marine engine, delivering quicker and smoother acceleration and higher top-end speed.

Offering incredible versatility, the FX Cruiser HO is equally capable for a huge range of applications from long day trips exploring new waterways to water sports with the family.

The FX Cruiser HO now features a 7-inch full-featured infotainment system with a glass colour touchscreen and built-in GPS system\*, premium factory-installed audio speakers with smartphone integration, additional Drive Controls with Auto Trim, a large glove box with a built-in light, USB and 12 volt charging ports, a streamlined tilting handlebar with tie hooks, and extremely comfortable and dry ride.

All FX Series WaveRunners also come with pre-drilled holes for easy installation of Yamaha's exclusive RecDeck platform, allowing you to connect JetFish and lounge accessory packages for more on-water action and versatility.

\*USB Map card not included and can be purchased separately. Consult your local WaveRunner dealer.
