Description

The 2026 FX HO WaveRunner comes with Yamaha's 1.9 Litre High Output marine engine and 7-inch touchscreen, delivering a little bit of luxury and high-end performance, in a highly versatile and practical watercraft.

This model has proven very popular as a fishing platform due to its excellent stability and fuel efficiency. The sturdy and responsive hull and deck provides superb stability and handling in all conditions, while the large capacity 1.9 Litre High Output marine engine, delivers quick and smooth acceleration and high top-end speed.

The FX Cruiser HO comes with factory installed Yamaha audio speakers, 7-inch full-featured infotainment system with glass colour touchscreen and built-in GPS system*. This luxury craft also comes with smartphone integration, customisable Drive Controls with Auto Trim, a large glove box with a built-in light, USB and 12 volt charging ports, streamlined tilting handlebar with tie hooks, three-person luxury theatre style seat and a hull that delivers an extremely comfortable and dry ride.

All FX Series WaveRunners come with pre-drilled holes for easy installation of Yamaha's exclusive RecDeck platform, allowing you to connect JetFish and lounge accessory packages for more on-water action and versatility.

With its big engine performance, superb appointed features and exceptional fuel economy, the FX HO will open up a whole new world of possibilities for your weekends.

*USB Map card not included and can be purchased separately. Consult your local WaveRunner dealer.
