Description

The 2024 VX Deluxe is the most affordable craft in the world's best-selling series of personal watercraft - the VX WaveRunner. This craft offers class-leading versatility and light-weight performance, with many of the features available in the high-end models within the VX range.

This VX Deluxe comes with Yamaha's award-winning 1049cc, TR-1 High Output marine engine that is both lightweight and powerful and two-piece sports seat, for single, two or three-up riding.

Above the water line the VX deck delivers improved rider ergonomics and comfort with deep and wide, self-draining footwells and a seat profile that is 4 centimetres narrower than its predecessor.

The dashboard comes with a 4.3" Connex LCD display with customisable speed and PIN security controls, a multi-mount system for attaching your favourite digital accessories, a user-friendly and water resistant storage space for packing all your gear, food and essentials, and a feature packed glove box with charging ports and LED lighting.

If you are looking for a high-quality, lightweight and fuel efficient mid-sized personal watercraft packed with heaps of features, then the VX Deluxe is the WaveRunner model for you. Technical Specification
